If you are viewing the CPCN membership directory in Google Chrome and cannot see the coach photographs, the following procedure will rectify the Google account settings that are interfering with your website experience.

1. Open Google Chrome
2. Make sure you are logged into your google account (your initial or icon should show in the top right corner)
3. Click on the 3 dots.
4. Click on Settings in the menu that appears
5. Scroll to the bottom of the page, click on Advanced
6. Scroll to the second from bottom line and click on Restore settings to their original defaults
7. Click on reset settings.
